Objektbeschreibung:

This exclusive luxury villa in the shell belongs to a new construction project called "Plein Soleil" in a sought-after residential location in Sol de Mallorca, in the southwest of Mallorca. Surrounded by numerous beautiful bathing bays, pine forests and green zones, 5 detached luxury villas are currently being built in a combination of modern architecture, high-quality natural materials and the finest furnishings. The rooms are all characterised by the large, open and bright interiors; one of the many highlights is the spacious living and dining area with open kitchen area and high ceilings, as well as 2 wide window fronts facing the garden, thus allowing the interior to seamlessly merge with the exterior. The villa offers a total of 5 bedrooms and 5 bathrooms, all ensuite, plus a loft, a panoramic terrace on the first floor with space for a Jacuzzi and/or summer kitchen, as well as many terraces and lawns for sunbathing around the pool. The villa is equipped with air conditioning w/c, underfloor heating, a 2-car garage, Villeroy & Boch sanitary ware, Dornbracht fittings, a Gunni&Trentino designer kitchen, Gaggenau kitchen appliances and an alarm system. This property is in a very good location in the middle of a lively infrastructure, close to restaurants, supermarkets, international schools, beaches, golf courses and medical centres. The villa is ideal as a year-round residence as well as a holiday home. The marinas of Puerto Portals and Port Adriano and the island capital Palma are 10-20 minutes away. Completion: 2025.
