Description:

Imagine building your dream home in a place where nature whispers and the sea greets you every morning. Tucked away in the exclusive enclave of Can Borràs in Puerto de Andratx, El Garbalo isn't just a plot — it's the beginning of a story. A story written in sunlight, sea breeze, and the quiet luxury of a life well designed.

Surrounded by lush greenery, this 1.338 m² plot offers panoramic views of the harbor and the shimmering Mediterranean. Fully licensed and accompanied by an elegant architectural project, it is ready to become a sanctuary where beauty, serenity, and modern design meet.

Imagine a villa shaped by your dreams — where every line, every material, every detail reflects your taste. Mornings with coffee overlooking the bay, laughter echoing through open living spaces, evenings with loved ones under a sky full of stars.

El Garballo is more than a plot. It's the foundation for your future memories — a home waiting to be lived, felt, and remembered.
