Location:

Porto Cristo is known for its impressive coves, crystal-clear waters and the famous Cuevas del Drach cave system. The surrounding area offers a variety of leisure activities such as water sports, hiking, golf and exquisite restaurants. The marina of Porto Cristo is just a short walk away and invites you to enjoy relaxing boat trips.

Over the course of the last century, Porto Cristo has transformed from an old fishing village into a popular small vacation resort on Mallorca. The small town has an old town worth seeing with many beautiful and narrow streets. It is also home to the Església Mare de Déu del Carme church, which is well worth a visit.

The highlight, however, is the bay that winds its way deep into the town with its beautiful marina. The ships and boats pass by the town's beach area. In the harbor itself, you can not only marvel at the beautiful sailing ships and motorboats, but also indulge in culinary delights in the many excellent restaurants.
