Location:

The medieval artists' town of Artà has become the secret capital of the northeast. Here you can immerse yourself in Mallorcan life all year round, explore galleries and boutiques or enjoy culinary delights in historic courtyards and on the market square.

A wide range of activities for hikers, cyclists and golfers and of course many water sports options, as well as three well-equipped marinas make the northeast a year-round destination.

Countless sandy beaches and wild stone coves offer the greatest possible variety for long beach days.

Manacor, the second largest town on the island, not only offers top shopping facilities and a general medical hospital, but also the Rafael Nadal Academy, an international school with a good reputation.
