Description:

This old town property embodies the essence of Palma de Mallorca. Rarely has a property been renovated with so much respect for its historical substance. Firstly, much has been restored with great attention to detail, so you can enjoy hand-hewn roof beams, original woodwork and centuries-old flooring. Secondly, many discreet improvements have been made, such as enlarged windows, soundproofed ceilings and expert insulation of the exterior walls and the basement. Thirdly, many comfort features have been incorporated, such as a functional kitchen, contemporary bathrooms, central heating, air conditioning and a goods lift to all floors.

The property has a quiet location not far from the cathedral. It is part of a multifamily house from the 13th century, but has its own entrance and the character of an independent townhouse. There are windows on two sides.

Layout of the flat (approx. 135 m²): on the ground floor, a polyvalent space with bathroom (today study & guest room); on the 1st floor, living/dining area with open-plan kitchen; on the 2nd floor master suite with bathroom en suite; in the basement, laundry/wardrobe room.

Features: exposed beams, terracotta & wooden floors, fitted wardrobes, single glazing, AC hot/cold, water softener, goods lift.

Please ask us for further information (we have floor plans) or to arrange a viewing. We will not assume any liability for the information provided. Kensington reference: KPP07622
