Description:

Welcome to this extensive and idyllic avocado finca in Tegueste. This well-maintained property offers on one level a residential house with an surface of 87 m² and various outbuildings with an impressive surface of 1,004 m², so there is plenty of space for your individual needs.

With a total of five rooms, including three bedrooms and three bathrooms, this property is ideal for families or couples who value privacy and are also looking for a profitable avocado crop as an investment.

At the entrance of the property is the residential house, which has all communal services, electricity, water and telephone.

In the centre of the property there is a large leisure area with a swimming pool, sun terrace and a house with a spacious living room, kitchen and two bathrooms. In this strategic point and surrounded by nature, you will simply enjoy the tranquillity and privacy.

The finca comprises a plot of 77,300 m², which is mainly agricultural, but also urban land. It is mainly dedicated to the cultivation of avocado trees. There are around 2,500 trees with an average age of 5 years and a production of almost 125,000 kilos per year. The cultivation area is 66,000 m². Vegetables are also cultivated and there is a variety of plants and flowers that create a perfect and natural environment.

There is a water tank with a capacity of 8,000 m³ for irrigation. With two water connections from different suppliers, one public from the Cabildo and another from a communal source, the water supply is always guaranteed. The finca also has an automated irrigation system that can be controlled via mobile phone.

For agricultural use, there is a large warehouse, office space and tool rooms.

This finca is not just a good investment, it is also a dream lifestyle in an incredible location. A true paradise for anyone looking for something special.

Location:

Tegueste is located in the north-east of Tenerife, on the Anaga Landscape Park, in an extensive water catchment area that provides a mild climate and great natural wealth. In Tegueste you will encounter a traditional, Canarian environment that could not be more pristine.
