Description:

This newly built villa (2024) is set on an elevated plot in the southwest and offers breathtaking sea views along with a distinctive architectural design. With 336 m² of living space on a 1,032 m² plot, it features 4 spacious en-suite bedrooms, a guest toilet, and seamless indoor-outdoor living through floor-to-ceiling windows. High-end finishes, microcement floors, and clean lines create an elegant, natural atmosphere. Enjoy the Mediterranean lifestyle from the generous terrace and private pool. The house is equipped with underfloor heating, central air conditioning with a heat pump, and two outdoor parking spaces. Ideally located close to beaches and amenities. Villa CAN TUDÓ was awarded the prestigious Architizer A+Award (Architecture + Glass category) and has been featured in Designboom, Archello, and Cerviglas. The villa will also appear in the Phaidon Architecture Yearbook 2025, placing it among the world's most outstanding architectural works.
