Location:

Porto Cristo is known for its stunning coves, crystal clear waters and the famous cave system Cuevas del Drach. The surrounding area offers a variety of leisure activities such as water sports, hiking, golf and exquisite restaurants. Porto

Cristo's marina is just a short walk away and invites you to take relaxing boat trips.

Porto Cristo changed during the last century from an old fishing village to a popular small vacation resort on Mallorca. The small town has a worth seeing old town with many beautiful and narrow streets. Here is also the church Església Mare de Déu del Carme, which is worth seeing.

The highlight, however, is the bay that winds deep into the town with its beautiful marina. The ships and boats pass the beach area of the town. In the harbor itself, you can not only marvel at fantastic sailing ships and motorboats, but also indulge in the culinary delights of the many very good restaurants.
