Location:

Vilaflor de Chasna is a very rural municipality in the middle altitudes in the south of Tenerife. The neighbouring municipalities are La Orotava, Arona, Granadilla de Abona, San Miguel and Adeje. Vilaflor has a lot to offer in terms of landscape. Economically, the cultivation of potatoes, wine and almonds dominates due to the quality of the soil and water. Its small houses and cobbled streets are particularly charming. A stroll immerses you in a quiet, rural atmosphere.
