Location:

Manacor, a beautiful town in the east of Mallorca, is known for its rich cultural heritage and breathtaking natural beauty.

Manacor is always worth an extensive stroll through the many fashion stores, the beautiful decoration and furniture stores or a visit to the daily vegetable market. The second largest city on the island offers not only top shopping facilities and a general hospital, but also the Rafael Nadal Academy, an international school with a very good reputation.

But also countless beaches and bays can be reached in about 20 minutes drive.
