Description:

Exclusive building plot with rooftop sea view & approved project

Welcome to this exceptional building project close to the sea. The 1,234 m² plot is situated in a sought-after location in the second sea line and offers breathtaking rooftop sea views. Planning permission has already been applied for. The planned project comprises a modern villa with a living space of 338 m² on one level.

The villa offers three bedrooms - with the master bedroom featuring a walk-in closet - and two bathrooms. The open-plan living area integrates the living room, dining area and kitchen into one 68 m² unit, creating a functional ambience for family and social gatherings. There is also a 9 x 3 meter pool for cooling off and relaxing on warm summer days. A garage for four vehicles rounds off the concept.

Excellent infrastructure & leisure facilities:

Cafés, supermarkets and stores just a few minutes away
Golf Majoris only approx. 5 minutes away by car
Quick connection to Palma and the airport

A particular highlight of this project is the possibility for individual design: future owners can choose between a classic Mediterranean design with traditional, warm elements and a modern, minimalist aesthetic. Several covered terraces also offer the opportunity to enjoy the privileged climate and impressive views all year round.

Take advantage of this unique opportunity to realize your tailor-made dream home in a prime location.
