This unique project offers the new owner the opportunity to realise his dream home in one of the most popular residential areas in Europe. The modern property will be just a few metres from the busy promenade and will offer a high level of comfort, charm and luxury. According to the current planning, the house will offer 3 bedrooms and 2 bathrooms distributed over 2 floors, with a built-up area of 226 m². On the ground floor, the new owner can design an office, the living-dining room with open, modern fitted kitchen with chill-out terrace and private pool in the modern patio. Upstairs are the three bedrooms and two bathrooms, one en suite. The highlight is the 62 m² roof terrace, from which you can enjoy spectacular sea views.
