Location:

Sa Pobla, Mallorca. Discovering one of the unknown little gems that Mallorca has to offer.

One such gem is the picturesque town of Sa Pobla. If you've never been to Sa Pobla before, you may be surprised to learn how much Sa Pobla has to offer, it is known as the "land of a thousand windmills" at the center of the farming community.

The famous Jazz festival of Sa Pobla is very well known by a selection of the best jazz artists! from all over the world and not forgetting the famous "Nit de Foc" in January, this fiesta is visited by people from all over the island, popular to the point where free trains services are laid on.

Sa Pobla has always been mainly a residential all year round living area, it has not really been a touristic town until recently, people are realizing its charm and beauty. Sa Pobla is so very close to Pollensa, Alcudia and Palma making airport access so easy with the motorway so close. But if you don't like to take the car, the Sa Pobla train station offers easy access with modern trains to the center of Palma. The beaches of Puerto Pollensa and Alcudia are a ten- to fifteen-minute drive.

Property prices are very different to those of the surrounding areas creating a strong attraction.

Sa Pobla offers a multitude of shops and some of the gourmet restaurants, cafés, a little museum of toys and games, and contemporary art museums.

Sa Pobla has been discovered by foreign home buyers and investors. The property prices there are extremely interesting. It's a good time to buy before everyone else jumps on the wagon which will naturally inflate the prices.
