Description:

This extraordinary and expressive finca has a unique interior and phenomenal design. Wherever the eye looks, it finds surprises, authentic materials and creative architecture. The 15-meter pool and the views of the surrounding nature and hilly landscape are also particularly spectacular.

The original historic farmhouse has been extended with an annex and transformed into a hip, modern Ibiza-style finca. Here you can expect a real oasis of living with a living area of 395 sqm. On the first floor is the open, spacious kitchen with cooking island, as well as an open dining area with a massive wooden table that seats 10 people. The adjacent living room houses a cozy sofa area with fireplace for cozy evenings. Indirect lighting provides a pleasant ambiance

throughout the house. From the work area, which is also located in the living room, you have a great view of the garden through the floor-to-ceiling windows. From almost every room you can reach the outdoor area from this level. Furthermore, the property has 6 bedrooms, 5 of them with bathroom en suite and two of them with separate entrance. The upper floor also has a large sun terrace and a small balcony. On this, a bathtub has been cleverly placed, where you can enjoy a bath in summer or winter, enjoying the view and the sunset.

But also in the outdoor area the property can score and shines with a 15 meter long overflow pool (salt) with adjacent children's pool. Hammock and swing invite you to linger, covered terrace areas provide shade on hot summer days. The own vineyard, numerous fruit and olive trees round off the great offer. Horse keeping is also possible here!

The finca also has a rental license for 8 people.

A special property is looking for your equal ! We are looking forward to your visit.
