Description:

Nestled in the highly sought-after area of Bonaire, Alcudia, this exquisite villa exudes charm and character. The residence boasts unique features, including antique wooden doors sourced from historical Mallorcan estates, rounded wooden beams repurposed from Catalonia's telegraph mast, and a fireplace crafted in the distinctive Ibicenca/Mexican style. Adding to its allure is the meticulously laid-out tiled floor adorned with handcrafted terracotta tiles.

On the ground floor, the entire expanse benefits from underfloor heating, while radiators adorn the first floor. For comfort in any season, the property is equipped with air conditioning that also provides heating.

The first floor offers two further bedrooms with a bathroom en suite and a terrace, each with views over the garden and adjacent plots. There is a further terrace that offers magnificent views towards the sea.

Spanning 400 square metres, the living area is thoughtfully designed, comprising a grand entrance hall, a well-appointed kitchen with ample storage, and a convenient washing area with access to the side garden. Large windows and soaring double-height ceilings in the spacious open dining area provide plenty of natural light, creating the ideal environment for memorable gatherings.

The ground floor accommodates a bedroom with an en suite bathroom, a guest WC, and a garage featuring a charming wine cellar. The inviting living room, complete with a cozy fireplace, seamlessly connects to the breathtaking garden area, where an elegant oval-shaped swimming pool awaits, spanning 60 square meters.

Adjacent to the villa, two additional building plots are available for separate purchase. Each plot, priced at €200,000, offers access to the adjoining street, presenting a lucrative investment opportunity worth considering.

Experience the epitome of luxury living in this remarkable villa in Bonaire.
