Description:

Historic townhouse with beautiful patio, pool and views in Artà

A real gem awaits you on a spacious plot of 123 sqm, which has been renovated to the highest standard with great attention to detail and using high-quality regional materials.

The inviting and light-flooded entrance area leads you directly into the dreamlike Mediterranean patio, which is ideal for relaxing and lingering. The house offers space for 4 bedrooms and 3 bathrooms, complemented by a small pool and a garage.

Underfloor heating and air conditioning, which is operated by an air heat pump with solar support, ensure your comfort and guarantee pleasant room temperatures at all times. The building services are operated via a modern domotic system.

Completion of this dream home is scheduled for mid-2026, but it can also be purchased in its current condition for €475,000.

Location:

The medieval artists' town of Artà has become the secret capital of the northeast. Here you can immerse yourself in Mallorcan life all year round, explore galleries and boutiques or enjoy culinary delights in historic courtyards. A wide range of activities for hikers, cyclists and golfers and of course many water sports options, as well as three well-equipped marinas make the northeast a year-round destination. Countless sandy beaches and wild stone coves offer the greatest possible variety for long beach days. Manacor, the second largest town on the island, not only offers top shopping facilities and a general hospital, but also the Rafael Nadal Academy, an international school with a very good reputation.
