Location:

Sa Pedruscada is one of the most exclusive residential areas in the municipality of Capdepera.

It is a quiet coastal village located about 2 kilometers from Cala Ratjada and was named after the stones and pebbles that make up this part of the coastline.

The center of Sa Pedruscada is a small bay with a small pier from which you can reach the lively Cala Ratjada on foot via the promenade.

Due to its central location, the surrounding villages such as Sa Font de Sa Cala, Capdepera and Cala Ratjada can be reached in just a few minutes by car or on foot.
