Description:

The last Mediterranean jewel in Conil de la Frontera

In one of the most charming towns on the coast of Cadiz, where the beaches seem to have no end and the crystal clear waters merge with the sky, is this exclusive new construction home, the last one available in its promotion. A home designed with exquisite taste, where every detail has been thought to offer beauty, comfort and quality of life.

The property has two spacious bedrooms and two bathrooms, plus an elegant living room with integrated kitchen, designed to live and enjoy without barriers. Its private terrace invites to quiet mornings and evenings outdoors, while the mild climate of Conil accompanies every moment.

The qualities are exceptional, and the building has an elevator for convenience. As it is still in the planning stage, it offers the possibility of adapting the finishes to your needs and personal style.

Conil de la Frontera is not just a destination, it is a lifestyle. Its long beaches, its natural reserve environment and its relaxed atmosphere make this place a real haven of peace, where the hours fly and every day is lived as a gift.

If you dream of a Mediterranean home where beauty and tranquility meet, this is your unique opportunity.
