Description:

Once you have refurbished this house, you will own ONE OF THE MOST BEAUTIFUL TOWNHOUSES OF MALLORCA. It offers everything one could wish for: tranquillity, south orientation, two sunny terraces with PANORAMIC VIEWS UP TO THE SEA (Bay of Alcúdia), a garden (probably with possibility of a splash pool), beautiful historic elements (hydraulic floors, marble fireplaces, ironwork, kitchen like your grandmother's), independent guest house, garage for 1-2 cars. Wow!

It is situated in SELVA, on the foothills of the Tramuntana mountains. Palma is 35 min away, the beaches around Alcúdia 25 min. It seems to have been built in 1960, by a well-to-do family. The construction technique is the same as a hundred years earlier (stone walls), but the windows are much bigger. It has windows on three sides and spacious rooms. It is well maintained and has probably never been refurbished (original state). The measurements are not known. Estimates: main house 220 m² (+ 25 m² 1st floor porch), GUEST HOUSE 60 m², GARAGE 35 m², garden terrace 35 m², garden 50 m².

Distribution main house: on the ground floor, living room, dining room, kitchen, 1 twin bedroom, 1 bathroom; on the first floor, 3 twin bedrooms. Guest house: downstairs 3 rooms and 1 bathroom, upstairs 1 twin bedroom.
