Description:

Your dream home on the picturesque east coast of Mallorca - the ideal affordable insider tip !!!

Imagine, just 1 km from the beautiful white sandy beach, surrounded by rolling green hills, a modern new development of 159 charming semi-detached houses and villas is being built. Here you will not only find a home, but a place where your family can experience Mallorca to perfection.

This quiet and family-friendly complex offers you and your loved ones four spacious communal pools as well as a stylish clubhouse with a modern fitness area - perfect for shared activities and relaxing hours.

Discover one of the inviting semi-detached villas with two bedrooms, a private garden (with optional pool) and three sunny terraces. The open-plan living/dining area with integrated kitchen creates a modern, light-flooded ambience in which the whole family can feel at home. In addition, each semi-detached house has a practical crawl space that prevents rising damp - for a healthy indoor climate!

Completion of the semi-detached houses and villas is scheduled for the end of 2026, and you have the option of choosing from various floor plans and living spaces. Prices start at just €362,000 for the smaller semi-detached houses and range up to €837,000 for the most spacious villas, depending on size and features.

A third of the units have already been reserved - don't delay! Contact us for the currently available units, floor plans and prices. We will also be happy to send you site plans as well as equipment and option lists so that you can design your dream home according to your wishes.
