Location:

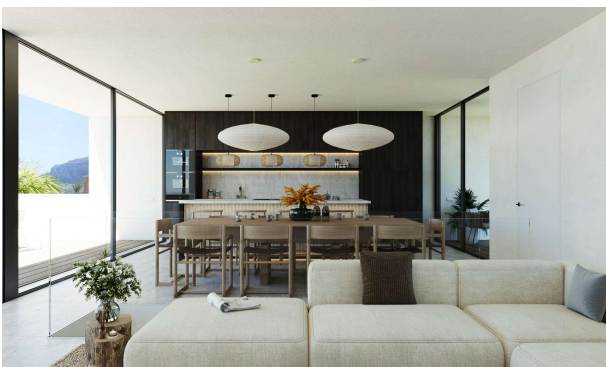

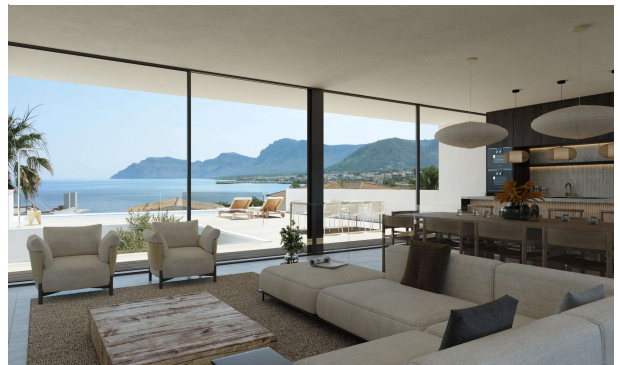

Colonia St. Pere is a dreamy former fishing village away from mass tourism. Here you can still find the original Mallorca. The town has a marina and is very popular with its excellent cafés and restaurants along the beach promenade, where you can enjoy the most beautiful sunsets on the east side of the island with good food and a glass of wine.

Son Serra de Marina is a quiet seaside resort. With its extensive natural beach and beautiful dunes, it is ideal for swimming and sunbathing. Afterwards, you can relax in one of the beautiful beach bars.

Manacor is also just a few minutes away by car. Here it is always worth taking a long stroll through the many fashion stores, the beautiful decoration and furniture stores or visiting the daily vegetable and fish market. The second largest city on the island not only offers top shopping facilities and a general hospital, but also the Rafael Nadal Tennis Academy, an international school with a very good reputation.
