## Location:

Santa Catalina is known as one of the top three neighbourhoods in Palma, explicitly for international buyers looking for a second home in the beautiful streets of Santa Catalina. It is located close to the marina bay of Paseo Maritimo, which has become an attractive social network due to the sailing community.

Santa Catalina used to be a small fishing village and has now transformed into an eye-catching community of creative luxury living. The neighbourhood is characterized by different areas, these include: Es Jonquet, Santa Catalina Centre, Santa Catalina Tennis Club and Upper Santa Catalina.

Es Jonquet, is a historic area near the "Plaza Vapor", surrounded by narrow streets and old Mallorcan windmills. This area is very well known for its properties with beautiful architectural history that has a view over the bay of Palma.

The heart of Santa Catalina is around the Santa Catalina market. It is one of the most famous markets in Palma and is known for its exquisite fresh food and typical Spanish gastronomy. Most of the luxurious penthouses are located here, close to restaurants with good food and surrounded by a young, open-minded population.

Santa Catalina Tennis Club; this area is surrounded by the Palma Sports and Tennis Club, the properties around this area are striving for more residential development so the area of Son Espanyolet has grown.

Upper Santa Catalina, compared to the centre, is a quieter area with many local Spanish people, surrounded by beautiful apartment buildings with views of Palma Bay and the Cathedral
