Description:

How many luxury villa are there around Andratx? Answer: a few. How many of them have panoramic sea views? How many have a secluded location on a huge plot? How many are of new construction with all the comforts and permits? - If you answer these questions, you will realise that this property is unique not only in Andratx, but island-wide. The villa was finished in 2020 and is located on a hilltop. Port d'Andratx is 8 minutes away, and both the golf course and the beach 2-3 minutes. The views are unparalleled (sea, coastline, mountains, forests). It has south orientation and sun all day. The plot measures more than 200,000 m², and all the neighbours are faaar away. Nobody can see the house, and nobody would suspect that there is a house here at all. Layout of the house (approx. 800 m² incl. basement): on the ground floor, reception hall, living/dining area with open kitchen, pantry, guest toilet, 2 bedrooms with bathrooms; on the upper floor, master suite, 2 further bedrooms with bathrooms; on the lower floor, staff apartment, wellness area with bathroom, bodega, laundry, storerooms, garage for 4 cars. There are various terraces on all levels (approx. 600 m² in total). The infinity pool measures 12x6 m. Please ask us for further information (we have floor plans) or to arrange a viewing. We will not assume any liability for the information provided in this description.
