Description:

An original farmhouse set on a large plot in the countryside with sea views.

For those who love peace, tranquility, and privacy, this is an excellent opportunity to own and renovate this authentic farmhouse. An idyllic place where you can still decide if and how to modernize, while respecting the architectural heritage of Formentera and the surrounding area. At the moment, it has water but no electricity. However, solar energy is very advanced, and Formentera is blessed with more than 300 days of sunshine. And with a minimum of sunshine, the technical development of photovoltaic cells, and in this climate, solar panels are very welcome. The land can be

used for agrarian culture as well as a botanical garden, which can be one of the many options. If you want to leave stress and hectic behind, this island with its peaceful culture and relaxed atmosphere could be the perfect solution.

Formentera is known for its white Caribbean coastline, its many culinary restaurants, its precious nature, but also for its tranquil holidays and all kinds of water sports. All the amenities are just a heartbeat away! The best way to get around the island is by scooter or bike. For island lovers, this is a great opportunity to buy an original house on the very famous island of Formentera.
