Description:

This building plot is located in a tranquil location in the sought after residential area Sol de Mallorca, one of the most beautiful regions of the island. The plot offers the possibility for the construction of a villa with a constructed area of 425 m² (RU- Classification, 35% of the plot surface), plus a basement. With a max height of 8 meters, the construction can have 2 floors, plus the basement. Water and electricity connections are already available. The picturesque bay Cala Mago in Portals Vells is within walking distance. Sol de Mallorca is a sought after area thanks to its tranquility and its picturesque beaches. The glamorous marinas of Puerto Portals and Port Adriano, various golf courses, beaches as well as numerous entertainment and shopping options are just a short drive away; the famous Nikki Beach Club is at your doorstep. Palma and the international airport are about 15 minutes away. This plot will allow you to have a beach house

in Mallorca, with direct access to a beach, which is quite unique in Mallorca.
