Location:

This beautiful plot is situated in a privileged location in the municipality of San Carrio - one of the most charming and at the same time most strategically favorable locations in the east of Mallorca. San Carrio itself is a picturesque village that has retained its originality and at the same time has a very good infrastructure: Shopping facilities, restaurants and small cafés are all within easy reach.

The region's beaches - including the popular bays around Porto Cristo - can be reached in just a few minutes by car and offer a perfect mix of nature experience and bathing pleasure. The famous natural beaches off the coast are also within easy reach.

Thanks to the ideal transport links, you can be at the renowned Rafa Nadal International School in Manacor in no time at all, as well as in the town of Manacor itself, which offers a comprehensive range of shopping facilities, medical care and urban infrastructure.

Golf enthusiasts will find a selection of five first-class golf courses in the immediate vicinity, including Golf Son Servera, Pula Golf Resort and Golf Canyamel, all of which can be reached within a short drive.

San Carrio is therefore the ideal location for those who want to enjoy the authentic Mallorca without sacrificing comfort and excellent accessibility.
