## Location:

---

Es Carregador is located between Cala Ratjada and Font de sa Cala, about three kilometers from Capdepera. Font de Sa Cala is within walking distance and offers a small bay embedded in gently sloping, slightly wooded rocky slopes. The sandy beach is approx. 200 meters long and many water sports such as windsurfing, sailing and diving are on offer. There are several restaurants in the immediate vicinity. The settlement of Font de Sa Cala is a small residential and vacation resort with a few hotels. In summer, the nostalgic "Cala Rajada Express" train runs several times from Font de sa Cala to Cala Rajada and back. There are several villas with fantastic views above the village. There are four excellent golf courses in the surrounding area, which can be reached in just a few minutes by car.
