Location:

Galilea, a mountain village in the west of the island of Mallorca, is idyllically nestled in the foothills of the Tramuntana mountains. This quiet and charming community belongs to the municipality of Puigpunyent and is located at around 460 meters above sea level. Galilea offers breathtaking views of the surrounding mountains and the deep blue Mediterranean Sea in the distance.

The village impresses with its traditional Mallorcan architecture with old stone houses, narrow streets and a charming little church, the "Església de Galilea". Here you can still feel the authentic flair of the island and enjoy the peace and seclusion far away from mass tourism.

Galilea is an ideal retreat for nature lovers and hiking enthusiasts. Numerous hiking trails start right on the doorstep and lead through the unspoiled landscape of the Tramuntana mountains. The surrounding area also offers excellent conditions for cycling and other outdoor activities.

Despite its idyllic seclusion, Galilea is easily accessible. The journey time to the island's capital Palma is only around 30 minutes. Here you will find a wide range of shopping facilities, cultural attractions and restaurants. The beaches of the southwest coast can also be reached in less than an hour.

In Galilea you will experience the original Mallorca in its purest form. A place that combines tranquillity, nature and traditional charm with proximity to the amenities of the city. Ideal for anyone looking for an idyllic place to live that offers both a retreat and good connections.
