Description:

Exclusive Modern House in Tona with Panoramic Views

Located in a privileged setting in Tona, this impressive one-story house combines modern design, luminosity and unparalleled views of the mountains and the emblematic Tona Castle. Its avant-garde architecture is characterized by large glass windows that flood the spaces with natural light and allow you to enjoy the landscape at all times.

From inside, the panoramic view is spectacular: to the north, the Eastern Pyrenees, the Guillerics and Collsacabra; to the front, the majestic Montseny and Tagamanent Castle; and to the south, the cliffs of Bertí, offering a unique natural setting that transforms each room into an exceptional viewpoint.

The house is distributed in a spacious and elegant living-dining room, perfect for daily comfort and reception of guests, with direct access to the garden. The kitchen, with a modern design and a separate island, is a functional and sophisticated space, ideal for food lovers, all overlooking the garden and mountains.

It has three bedrooms, with a shared bathroom, ensuring privacy and comfort for the whole family. The master suite also has a spacious and elegant dressing room. There is also a guest bathroom for greater practicality.

The garage has capacity for two vehicles and, in addition, the property has an open room currently used as a gym, with multiple possibilities of use.

If you are looking for a contemporary design house, with natural light, open spaces and surrounded by an incomparable environment, this property in Tona is the perfect choice.

Would you like to visit it? Contact us for more information.

Location:

Tona is a charming town located in the Osona region, in the province of Barcelona. Strategically located between Vic and Barcelona, it combines the tranquility of a natural environment with an excellent connection to the main Catalan cities. Only 60 km from Barcelona and 10 km from Vic, it is an ideal place for those looking for quality of life without giving up the proximity to urban services.
