Description:

Modern villa in Canyamel with sea views and luxurious furnishings

This exclusive villa in Canyamel offers a unique living experience in one of the most sought-after areas in the north-east of Mallorca. The tranquil surroundings, fantastic sea views and high-quality construction make this property the perfect retreat.

The villa has four spacious bedrooms and three modern bathrooms. Large, double-glazed sliding windows with teak persianas let in plenty of light and create an open-plan feel. The modern, fully equipped fitted kitchen with high-quality electrical appliances blends harmoniously into the overall picture. The spacious outdoor area is a particular highlight: five terraces, including a roof terrace with spectacular sea views, invite you to linger. The lovingly landscaped garden with old olive trees, lemon trees and palm trees creates a Mediterranean feel-good atmosphere. The hotel's own bowling alley provides a sporting diversion.

The heart of the outdoor area is the infinity pool with overflow pool, which offers an incomparable bathing experience. Even in the cooler months, the electric wall heating in combination with a pellet stove provides pleasant warmth. Technical amenities such as an intercom system and an automatic entrance gate round off the offer. A private driveway with two parking spaces offers additional convenience.

This villa combines modern design with Mediterranean charm and first-class furnishings. The unique location, the fantastic views and the luxurious details make this property a rare opportunity.

Please do not hesitate to contact us for further information or a viewing.

Location:

Canyamel is an attractive village in the northeast of Mallorca, with a beautiful bay with fine white sand and turquoise sea. There are several golf courses within a few minutes' drive of Canyamel. Canyamel is divided into two parts by a torrent. In one part are the caves of Artà and in the other part the coastline, which is called Costa de Canyamel. Canyamel is characterized by its exclusive and quiet location. The surroundings are mountainous, very close to nature, very Mediterranean and the people who live here are very international. Due to its location, the properties in Canyamel often have sea views, so it is a privilege to own a property in Canyamel and be lucky enough to enjoy spectacular sunrises, as the sea is so close and so easy to reach.
