Descripción:

Would you like to renovate an old stone finca and revamp it to your taste? - This finca has just been COMPLETELY LEGALIZED and all parts of the building have been registered. In addition, a BUILDING PERMIT FOR A POOL has been granted. You can start the refurb very soon and without much effort.

The two-storey building was CONSTRUCTED IN 1858. Layout of the house (approx. 252 m²): on the ground floor, living room, dining area with open-plan kitchen, 1 bathroom; upstairs, 3 twin bedrooms and a further space. On the south side there is a large PORCH (46 m²) with BBQ and a pizza oven. A spacious ANNEX (91 m²) a few steps from the main

house contains the garage.

The plot size is JUST OVER 30,000 m². It is connected to electricity and has its OWN WELL. The situation is quiet and the PRIVACY IS VERY GOOD (no direct neighbours). The surroundings are characterised by fields and forests.

The finca is located near SANT JOAN, in the centre of Mallorca. The access is via tarmac roads. Palma is 30 minutes away.

Please ask us for further information or to arrange a viewing. We will not assume any liability for the information provided. Kensington reference: KPP07687

Locación:

Sant Joan is a picturesque village in the center of Mallorca, about 37 kilometers northeast of Palma. It is located in a flat agricultural landscape and is easily accessible via the Ma-15 road. Neighboring villages are Sineu, Petra and Montuïri. The village is known for the Gothic church of Sant Joan Baptista, the ethnological museum and traditional festivals. Sant Joan offers a quiet, authentic Mallorcan experience and is an ideal base for exploring the island.
